OBJECTIVES

Motivated and detail-oriented IT student with a strong foundation in web and mobile application development, as well as UI/UX design. Skilled at creating user-friendly, responsive, and visually appealing interfaces while ensuring smooth functionality across platforms. Highly creative and adept at managing projects from concept to deployment, delivering solutions that combine innovation with practicality. Passionate about building engaging digital experiences and staying updated with the latest design trends and development technologies. Actively seeking an internship or entry-level position to apply technical expertise, enhance creative skills, and contribute to impactful web and mobile projects.

EDUCATION

Bestlink College of the Philippines
- **Science and Technology Engineering and Mathematics** (2018-2020)
Bestlink College of the Philippines
- **Junior High School** (2014-2018)
Bf. St Marys

WORK EXPERIENCE

ON THE JOB TRAINING (500 Hours): Web Development

- **Web Development & Programming:**
 - Developed and maintained responsive web pages using HTML, CSS, JavaScript, and jQuery.
 - Assisted in building interactive user interfaces with React.js for improved user experience.
 - Contributed to backend development using PHP (Laravel Framework) to implement system features and business logic.
 - Designed and optimized MySQL databases for storing and managing student records,

grades, and attendance.

- Implemented CRUD operations (Create, Read, Update, Delete) for efficient data handling and retrieval.
- Developed REST API endpoints for authentication, student management, and data integration between systems.
- Secured REST APIs using **JWT (JSON Web Tokens)** for authentication and authorization.
- Conducted data validation and verification to ensure accuracy, completeness, and integrity of information.
- Collaborated with the development team to integrate frontend and backend systems for seamless functionality.

TRAINING, SEMINARS, CERTIFICATION

- **ESL ONLINE TEACHING COURSE**
- ACEESL TEACHING TRAINING SERVICES

SKILLS AND EXPERTISE

- Web Development (React. Js bootstrap 5 Php Laravel)
- Mobile Development (Flutter Dart Php Laravel)
- Figma web design
